

ENVIRONMENTAL POLICY

Protector Air Care Pty Ltd activities will be carried out so as to protect the health of workers, trainees, customers, contractors, and community while paying proper regards to the protection and management of the environment.

Protector Air Care Pty Ltd is committed to the protection and management of the environment in all its activities and operations and will endeavour to conduct its activities and operations in a manner that is environmentally responsible and sustainable.

Primary Goal

The Primary Goal of the Policy and associated procedures is to assist in maintaining the highest environmental standards.

Objectives

The objectives of this policy are to:

- **Meet** and exceed all legal and regulatory requirements for environmental management and protection; and where these are lacking or insufficient to protect the environment, apply best practice stands that will ensure the environment is protected;
- **Maintain** an awareness within Protector Air Care Pty Ltd activities of the responsibilities of workers, contractors and affected people to ensure protection of the environment;
- **Regularly** review activities to identify and assess the environmental impact associated with these activities; and-
- **Implement** and maintain management systems, processes, programs and procedures to ensure the environment is protected including the control of discharge of waste substances and emissions, or any other potentially environmentally hazardous conditions that may harm the environment;
- **Provide** an environmental emergency response program for unforeseen events so as to minimise the risk to people, facilities, and assets;
- **Provide** environmental training for management, workers, visitors, and affected people where applicable;

Protector Air Care Pty Ltd commitment to the environment is as important as our commitment to other aims, activities and operations.

This policy and associated procedures will be reviewed in consultation with relevant parties and on the occasion of any changes or amendments to the relevant legislation.
